transfer, in writing, presented to retrieve  
the packet.*

## Why pre-register?

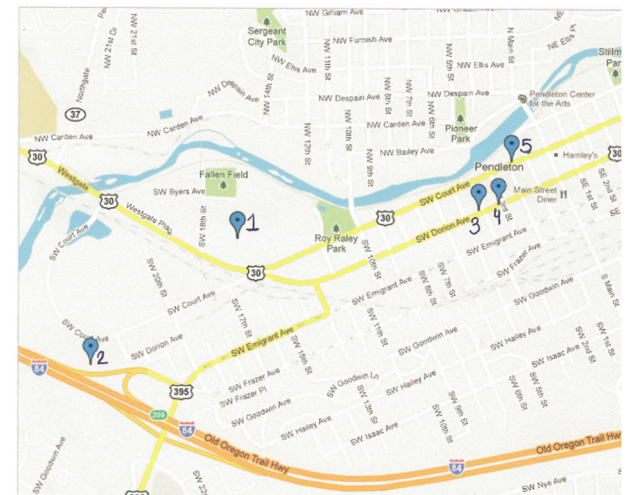

Your pre-registration helps ensure that the convention has the funds available to put this convention on and to carry the message of recovery.

The money collected from the registration is how we pay for all the convention space, registration packets, our guest speaker accommodations and all other convention expenses.

## Member Conduct

We may be the only example of Narcotics Anonymous that the hotel staff or other guests experience. Our actions will give a message to people outside the Fellowship about our program.

*What message do we want to give  
others about the program that  
saved our lives?*
